5. System-wide procedures for accounting and reporting are followed; and

6. The Juvenile Court and parents are notified when any student accrues five unexcused absences and that a Truancy Board hearing is arranged.

Student attendance records shall be given the same level of confidentiality as other student records. Only authorized school officials with legitimate educational purposes may have access to student information without the consent of the student or parent/guardian. Request for students to attend school in adjoining counties shall be considered on a case-by-case basis.

TRUANCY

Truancy is defined as an absence for an entire school day, a major portion of the school day or the major portion of any class, study hall or activity during the school day for which the student is scheduled and early check-out from school.

Students participating in school-sanctioned/sponsored activities whether on- or off-campus shall not be counted absent. Mass exodus or early dismissal or late arrival of all students or any segment of students will not be permitted for any reason except for emergencies such as inclement weather or other unavoidable situations.

All missed class work or tests (whether from excused or unexcused absence) may be made up if the student makes the request immediately upon returning to school and if class time is not taken from other students.

HIGH SCHOOL ABSENCE POLICY

Credit/Promotion Denial

Credit/promotion denial determinations may include student attendance, however, student attendance may not be the sole criterion. However, if attendance is a factor, prior to credit/promotion denial, the following shall occur:

Parents and students shall be advised if a student is in danger of credit/promotion denial due to excessive absenteeism. Written notification will be sent to parents of any student accruing five (5)

absences and again at ten (10) absences. Students who are absent from school run a risk of failure and must make up all work promptly and satisfactorily. Any decision regarding attendance, grades and make-up work may be appealed initially to the principal, director of schools and ultimately to the Board. The appeal shall be made in writing to the director of schools within five (5) days following the action or the report of the action, whichever is later.

B. average and a maximum of 2 days excused absence.

C. average and a maximum of 1 day excused absence.

All students who obtain four (4) or more unexcused tardies in any class will be required to take the semester exam regardless of grade average or days absent.

Students who are suspended from school or who are remanded to the Alternative School for cause shall forfeit all exam exemptions.

DRIVERS LICENSE REVOCATION

More than ten (10) consecutive or fifteen (15) cumulative reported unexcused absences by a student during any semester renders a student ineligible to retain a driver's permit or license, or to obtain such if of age.

In order to qualify for reclaiming a driver's permit or license, the student must have made a passing grade in at least fifty (50) percent of their unit subjects or their equivalency at the conclusion of a subsequent grading period. The student must also complete thirty (30) days of attendance without an unexcused absence if attendance was the reason for revoking the license.

For second or subsequent withdrawals, a student shall have all driving privileges suspended until the student attains eighteen (18) years of age. (TCA 49-6-3017)
